

nature MASTERCLASSES

Workshop on Scientific Writing and Publishing

Learn how to publish in top journals.

Presented by the chief editors from Nature Medicine and Nature Metabolism.

Who should attend?

Doctoral students (\geq 3rd year), postdocs and junior group leaders having first author publications.

Bring your own draft abstract to discuss with the editors!

Skills gained

- Develop writing skills and confidence — 91% feel "more confident in writing manuscripts"
- Understand editorial processes and what editors look for in papers
- Learn best practices for submitting a paper and completing a peer review

November 4-5, 2019
Berlin

Course free of charge.

Travel & accommodation reimbursement via DZL Academy budget.
